

FOL

Friends of Tonganoxie Public Library work to promote our library by raising funds to enhance programming and collection development.

Friends sponsor several opportunities yearly to be involved with promoting reading and library usage.

Friends Of Tonganoxie Public Library

Membership Information

Friends of the Library

Friends of the Tonganoxie Library have been in existence since the late 1880's. At that time a group of community ladies started with a small collection of books for lending. This grew into a larger library that was once housed in our current city hall building. As the library grew a librarian was hired and a Friends group continued. Our current Friends group has approximately twenty members.

Festival of Mini-Trees

We sponsor several events throughout the year. These range from the Adult Reading program, Summer Reading Programs and Festival of Mini-Trees. Our largest fundraising opportunity comes in June with our annual 5K-10K Run in conjunction with Tonganoxie Days. June 2007 marked the 20th anniversary of the Run. Gift basket raffles are held periodically throughout the year.

Annual 5K/10K Run

Membership Benefits

Becoming a FOL member entitles you to the following benefits:

1. Extended borrowing privileges
2. Early admittance to library events.
3. The knowledge you are improving your community.
